Index

1934

THIS INDEX is based on a consolidation of contents entries appearing in the January–July issues of the FEDERAL REGISTER. The entries are arranged first under the name of the agency which issued the document. Under each agency, the entries are then listed alphabetically within the categories of Rules, Proposed Rules, and Notices. Executive Orders, Proclamations, and other documents from the President are listed under Presidential Documents. The number at the end of each entry gives the pages in the FEDERAL REGISTER where the document begins. Use the table of Federal Register Pages and Dates at the back of this index to locate the issue date for each page number. This index is published monthly and is cumulated for 12 months.

A general index to the entire Code of Federal Regulations is found in the CFR Index and Finding Aids volume, and is revised as of January 1 each year.

The List of CFR Sections Affected (LSA), a cumulative numerical finding aid, is published monthly and is cumulated for 12 months, keyed to the revision dates of the various CFR volumes.

All FEDERAL REGISTER publications are available for purchase from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

Melanie Y. Williams is Chief Editor of the Federal Register Index, assisted by Maxine L. Hill. The Index is prepared under the direction of Martha B. Girard, assisted by Ruth Pontius.

INQUIRIES may be made to the Finding Aids Unit at area code 202–523–5227 or (TDD) 202–523–5229. These are not toll free numbers.

SUGGESTIONS concerning this and other publications of the Office will be welcomed by John E. Byrne, Director, Office of the Federal Register, National Archives and Records Administration, Washington, D.C. 20408.
